

PARTYBOX ON-THE-GO 2

Portable party speaker with one wireless digital mic, handle and a shoulder strap

Instant party starter, wherever we go.

The PartyBox On-The-Go 2 turns any hangout into a full-on celebration. We've got crisp highs, bold bass, and a lightshow that matches the vibe. The wireless digital mic comes with echo effects and Smart Key Change, so we actually sound good when we sing. Whether it's a pool party, family reunion, or just a low-key chill hang out, this speaker's ready—with a snap for easy carry, splashproof design, and up to 15 hours of playtime. We can even pair two for stereo sound or connect more JBL Auracast™-enabled speakers to really go off. And with the JBL PartyBox app, we control the vibe, start to finish. Wherever we go, the party's coming with.

PARTYBOX ON-THE-GO 2

Portable party speaker with one wireless digital mic, handle and a shoulder strap

Features and Benefits

Powerful JBL Pro Sound

Powerful JBL Pro Sound takes the spotlight, with crystal-clear highs from dual silk-dome tweeters and deep, punchy bass from a mighty woofer that's louder and livelier than ever before.

Dynamic lightshow

Is it even a party without a lightshow? Dance the night away with glowing light patterns and strobe effects that sync to your music.

Karaoke anywhere

Time to belt it out with the crew—anytime, anywhere. The wireless mic got built-in echo so we always sound our best, and with Smart Key Change in the JBL PartyBox app, the track shifts to match our key. No wrong notes, just good vibes. Or dance to your favorite playlists with aux-in and USB-C connectors.

Up to 15 hours playtime

Keep the good vibes going with up to 15 hours playtime on a single charge. And if that's not enough, just swap in a spare battery (sold separately) and double the great time. Or charge for 10 minutes to get an extra 80 minutes of playtime.

Convenient handle and shoulder strap

With a handle right in the center, the PartyBox On-The-Go 2 feels balanced for carrying anywhere. Plus, its wider, thicker shoulder strap hooks on easy, so we just sling it over and go wherever the night takes us.

Multi-speaker connection by Auracast™

Want even bigger JBL Pro Sound? Stereo pair two PartyBox On-The-Go 2 speakers for a wider sound stage. And for your biggest parties, multiple JBL speakers can be connected wirelessly using Auracast™.

Splash proof

Whether we're partying in the park or singing karaoke by the pool, the PartyBox On-The-Go 2 is IPX4 splashproof—so a little rain won't ruin the vibe.

Control your party right from the JBL PartyBox app

Don't babysit the speaker—just use the JBL PartyBox app to control the music, EQ, and lightshow from wherever: the bar, the dance floor, or beyond.

Recycled plastic, plus FSC certified paper packaging

The JBL PartyBox On-The-Go 2 incorporates post-consumer recycled plastic. It's also packaged in FSC-certified paper printed with soy ink.
